IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will amuse yon, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well-marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE, fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness: a straight LINE OF FATE, peaceful life; the reverse if crooked. A well-defined LINE OF HEALTH spares you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x22 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost \$300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2,00, and you will really get over \$25.00 in value. Address the publisher, W. Jenning's Demorest, 15 East 14th St., New York. -THE-

Every subject of importance is dealt with in its pages-impartially, on both sides-at the very time when the course of events brings it to the front, and by the very men or women whose opinions are most valued. The Review does not hesitate at the most liberal expenditure in order to secure articles from the highest authorities. Its list of contributors forms a roll of the representative men and women of the age.

THE NORTH AMERICAN REVIEW is the most widely read magazine of its class in the world, being neither scholastic nor technical, but popular and practical in its treatment of all topics.

THE NORTH AMERICAN REVIEW is the only periodical of its kind which has a recognized place as

A FAMILY MAGAZINE.

This is because it devotes much attention to subjects that are of particular interest to women.

No other periodical in the world can point to such a succession of distinguished writers as have contributed to the REVIEW during the past four years. The list embraces American and British Cabinet Ministers; United States Senstors and Representatives; Governors of States; American Ministers abroad; Foreign Ministers to the United States; Judges of the Supreme Ceurt; ecclesiastical dignitaries and eminent theologians of every denomination; officers of the Army and Navy; famous physicians and scientists; and in general men and women whose nomes are household words throughout the English speaking world.
